

New York City Department of Consumer Affairs

Notice of Adoption

Notice of Adoption to amend a rule relating to towing vehicles to make the rates prescribed therein consistent with applicable sections of the Administrative Code and other Rules. This amendment also updates language about the liability insurance that applicants for a tow license must carry.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Sections 1043 and 2203(f) of the New York City Charter and Section 20-525 of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends Sections 2-362 and 2-368 of Chapter 2 of Title 6 of the Rules of the City of New York.

This rule was proposed and published on October 27, 2018. A public hearing was held on November 26, 2018.

Statement of Basis and Purpose of Rule

Certain rates prescribed in Title 6, Section 2-368 of the Rules of the City of New York are inconsistent with the rates required in Subchapter 31 of Title 20 of the New York City Administrative Code. Specifically, Sections 20-509 and 20-509.1 dictate specific charges for the towing and storage of vehicles that are different than rates provided in Section 2-368. The Department of Consumer Affairs is amending Section 2-368, to correct this inconsistency. This amendment will also remain consistent with Title 34, Section 4-07(i)(3) of the Rules of the City of New York, which is a Department of Transportation rule that references Section 2-368.

This rule also amends the subdivision regarding the liability insurance that applicants for a tow license must carry. The Law Department recommended to DCA that references to “personal injury” in Section 2-362(d) be changed to “injury”. This recommendation was made to align the text of this rule with the common usage in the insurance industry. Commercial automobile insurance policies typically do not use the phrase “personal injury” and instead use “bodily injury.” Use of “injury” without qualification in this rule will ensure that applicants obtain sufficient liability insurance policies.

(f) (1) Where unusual preparation is required before a vehicle can be towed, additional charges may be imposed not to exceed \$12.00 per tow truck for each 1/4 hour or part thereof, provided, however, that no such charge may be imposed or collected if an accident vehicle is towed pursuant to the Directed Accident Response Program. (2) Notwithstanding paragraph one of this subdivision, a towing company which has towed a vehicle to its storage facilities may charge an additional amount not to exceed \$25 for the positioning of such vehicle for removal from such storage facilities by the tow truck of another towing company that is capable of towing three or more vehicles simultaneously.
