## Statement of Basis and Purpose of Rule

Local law 96 of 2020 was passed by the City Council on August 27, 2020, lapsed into law on September 28, 2020, and is deemed to have been in force and effect on and after September 1, 2020.

It amended the full compliance date for site safety training from September 1, 2020 to March 1, 2021. These rules are amended to reflect that change for language access plans, worker safety information signs at construction sites and training card requirements.

The Department of Buildings' authority for these rules is found in sections 643 and 1043 of the New York City Charter.
