Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings (OATH) proposes to add a new chapter 8 to title 48 of the Rules of the City of New York to comply with section 1043(g) of the New York City Charter (City Administrative Procedure Act), which permits any person to petition a city agency to consider the adoption of a rule and requires each agency to have rules creating a procedure for such petitions.

The proposed chapter 8 of title 48 of the Rules of the City of New York would set forth the procedures that petitioners must follow in petitioning OATH to consider a new rule. It would also set forth the procedures OATH must follow in considering and responding to petitions. Additionally, it would require OATH to deny or approve petitions within 60 days and would set forth procedures for denying or granting petitions.

OATH's authority for this rule is found in sections 1043, 1049, and 1049-a of the New York City Charter.
