## **Statement of Basis and Purpose of Proposed Rule**

On November 3, 2021, the Mayor announced a supplement to the recently enacted Medallion Relief Program (MRP). This supplemental program would offer a deficiency guaranty, subject to appropriations by the City and provided by a third party, on renegotiated loans that meet additional, specified requirements, in addition to a grant of \$30,000 through the MRP. The goal of adding a deficiency guaranty to MRP renegotiated loans is to incentivize more lenders to participate in the MRP and to offer terms that are as favorable as possible to individual medallion owners. This loan deficiency guaranty supplement to the MRP will support the goals of the original MRP in promoting the recovery of the yellow taxicab industry in New York City.

These proposed rules establish the eligibility criteria for applying for a supplemental loan deficiency guaranty through the MRP.

TLC's authority for these rules is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.
