### **Statement of Basis and Purpose**

On March 17, 2022 the Commission adopted rules establishing the eligibility criteria for applying for a supplemental loan deficiency guaranty through the Medallion Relief Program (“MRP”). The goal of the MRP is to support the recovery of the yellow taxicab industry in New York City by helping medallion owners restructure their outstanding debt to more sustainable levels on more favorable terms.

These proposed rules increase the number of loans eligible for a supplemental loan deficiency guaranty by extending participation in the program from those who have an interest in five or fewer medallions to those who have an interest in six or fewer medallions. TLC wants to offer the program to as many small business owners as possible so that they can lower their debt during difficult financial times.

The Commission’s authority to promulgate this rule is found in sections 2303 and 2304 of the New York City Charter and section 19-503 of the New York City Administrative Code. The rules that the Commission is seeking to amend are contained within Chapters 58 and 82 of Title 35 of the Rules of the City of New York.
