

April 26 2023 DOT Amendment to OS Rules Mtg

p. 4 Applications. Required Documents.

C) "Unobstructed emergency access lane" therefore no barriers on any Open Street. Barriers obstruct emergency vehicles.

D) "Moving barricade in event of emergency" Add: Department employee required to be assigned at every corner where there is a barricade at all hours of operation.

F) "At least three (3) letters of support from community stakeholders..." Add: Three stakeholder support letters must be obtained from the **owners/ administrators** of businesses/ institutions. And Letters of support and approval must be obtained from local/applicable police precinct **Commanding Officer** and local/applicable fire house **Chief Officer**.

p.5 Selection

(A)1. "Safety of all street users" Add: All wheeled devices/ vehicles to go no more than 5MPH. Also add: Safety of all street users **and residents** along the Open Street.

5. "Access for emergency vehicles" again means no barricades. Barricades obstruct access for emergency vehicles.

p.6 (5) Rescinding Open Street Designation

(i) Add: At the same time Department shall also notify the community of the rescission.

(c) Operation and Management

(1) "Open streets must be maintained in a manner that allows for emergency vehicle access at all times" Add: thereby requiring staff person in attendance at each barricade during all hours of operation.

p.7 (10) Accessibility for limited local access streets

(ii) "The Department may, on certain limited local access open streets, provide services to assist individuals...." Identify exactly who, in what position, will provide such services to assist individuals.

p.8 (d) Conduct of the Public on Open Streets

(1) "Any person in or on an open street must comply with the lawful direction or command of any police officer or designated Department employee..." How will the designated Department employee officially be identified?
