“Take My Life”  
(Pusha T)

I hope you pussy motherfuckers die  
Wish death upon they soul until they burnin’ in a fire  
I’m the illest motherfucker breathin’, fuck yo rhyme or yo reason  
Fucking over yo issues, it’s kill-a-ho-nigga season  
I made my way, way, I found my road, road  
Bar-arada-da, I made my own, ho  
YUGHHH, you ain’t ever have shit local nigga?  
Woo, how the fuck I owe you local niggas?  
I’m a global nigga, Champs-Élysées shopper  
Looked up to Eric B and dope dealer, chain rockers  
Where was you when I was bleeding  
Disappointed and battling my demons  
I just want to ride Italian leather, acting like you don’t know me  
Euro designer palace, fuck my bitch on Missoni
